

ATTENDANCE POLICY

PURPOSE

The purpose of this policy is not only to ensure that Northern School for Autism School adheres to the Department of Education's guidelines regarding attendance, but to outline the key procedures, practices and expectations regarding attendance at the school. This includes:

- ensure all children of compulsory school age are enrolled in a registered school and attend school every day the school is open for instruction
- ensuring students, staff and parents/carers have a shared understanding of the importance of attending school
- explaining to school staff and parents/carers the key practices and procedures NSA has in place to
 - support, monitor and maintain student attendance
 - record, monitor and follow up student absences

SCOPE

This policy applies to all student at NSA.

This policy should be read in conjunction with the Department of Education and Training's [School Attendance Guidelines](#). It does not replace or change the obligations of NSA, parents/carers and School Attendance Officers under legislation or the School Attendance Guidelines.

DEFINITION

Parent/Carer – includes a guardian and every person who has parental responsibility for the child, including parental responsibility under the *Family Law Act 1975 (Cth)* and any person with whom a child normally or regularly resides.

POLICY

The school has developed the mandatory prerequisite Enrolment Policy.

Schooling is compulsory for children and young people aged from 6 to 17 years (unless an exemption from attendance or enrolment has been granted).

Daily attendance is important for all children and young people to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that set them up for further learning and participation in their community.

Students are expected to attend NSA during normal school hours every day of each term unless:

- there is an approved exemption from school attendance for the student
- the student has a dual enrolment with another school and has only a partial enrolment in Northern School for Autism or
- the student is registered for home schooling and has only a partial enrolment in Northern School for Autism for particular activities

Both the school and parents/carers have an important role to play in supporting students to attend school every day.

NSA believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance.

Our school will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents/carers to improve their attendance through a range of interventions and supports.

Students are committed to attending school every day, arriving on time and are prepared to learn. Our students are encouraged approach a teacher and seek assistance if there are any issues that are affecting their attendance.

NSA parents are committed to ensuring their child/children attend school on time every day when instruction is offered, to communicating openly with the school and providing valid explanations for any absence.

Parents/Carers are expected to communicate with the relevant staff at NSA about any issues affecting their child's attendance and work in partnership with the school to address any concerns.

Parents/Carers will provide a reasonable explanation for their child's absence from school and endeavour to schedule family holidays, appointments and other activities outside of school hours.

Supporting and promoting attendance

NSA's *Student Wellbeing and Engagement Policy* supports student attendance.

The school will provide active support (including targeted responses and effective intervention strategies) for full student attendance and retention and will respond to individual student circumstances when regular attendance is not consistent.

The school promotes student attendance by:

- providing recognition for high attending students
- following up on unapproved non-attenders by communicating to parents/carers on the day of an absence
- publishing newsletter articles outlining the importance of school attendance
- articulating high expectations to all members of the school community by:
- regularly communicating with parents/carers about expectations for attendance
- promoting awareness that absence results in quantifiable lost learning time and opportunities
- modelling punctuality across the whole school

<http://www.northernautism.vic.edu.au/web/>

- creating a safe, supportive learning environment where all students experience success through active participation and engagement in purposeful learning
- breakfast club

Recording attendance

NSA must record student attendance twice daily. This is necessary to:

- meet legislative requirements
- discharge NSA's duty of care for all students

Attendance will be recorded by classroom teacher at the start of the school day and after lunch using COMPASS.

If students are in attendance at a school approved activity, the teacher in charge of the activity will record them as being present. For students participating in courses provided by another approved provider or Registered Training Organisation the Vocational Education and Training (VET) student attendance is reported automatically by email to the Assistant Principal – Lalor Campus.

This information is then sent to the office where the Admin staff enter in the appropriate code i.e. Camp, Excursion, Special Event, TAFE in COMPASS.

Recording absences

For absences where there is no exemption in place, a parent/carer must provide an explanation on each occasion to the school, preferably between 8.30 am and 9.00 am.

Parents/Carers should notify NSA of absences by:

- COMPASS notification
- contacting the school office via phone or email
- informing the classroom teacher in writing of a planned absence

If a student is absent on a particular day and the school has not been previously notified by a parent/carer, or the absence is otherwise unexplained, NSA will attempt to contact parents as soon as practicable on the same day of the unexplained absence, allowing time for the parent to respond.

NSA will keep a record of the reason given for each absence. The Principal will determine if the explanation provided is a **reasonable excuse** for the purposes of the parent/carer meeting their responsibilities under the *Education Training Reform Act 2006* and the School Attendance Guidelines.

If NSA considers that the parent/carer has provided a **reasonable excuse** for their child's absence the absence will be marked as '**excused absence**' and the reason given is recorded.

If the school determines that the excuse provided is not reasonable the absence will be marked as '**unexcused absence**'.

The Principal has the discretion to accept a valid reason given by a parent/carer for a student's absence. The Principal generally will excuse:

- illness

<http://www.northernautism.vic.edu.au/web/>

"Learning for Life"

- medical and dental appointments, where out of hours appointments are not possible or appropriate
- bereavement or attendance at the funeral of a relative or friend of the student
- school refusal, if a plan is in place with the parent/carer to address causes and support the student's return to school
- cultural observance if the parent/carer notifies the school in advance
- family holidays where the parent/carer notifies the school in advance

If no explanation is provided by the parent/carer within 10 school days of an absence, it will remain recorded as **'Unexplained absence'** on the student's file.

Parents/carers will be notified if an absence has not been accepted as excused.

Managing non-attendance and supporting student engagement

Where absences are of concern due to their nature or frequency, or where a student has been absent for more than five days, NSA will work collaboratively with parents/carers, the student, and other professionals, where appropriate, to develop strategies to improve attendance, including:

- establishing an Attendance Student Support Group
- implementing a Return to School Plan
- implementing an Individual Education Plan
- implementing a Student Absence Learning Plan for students who will be absent for an extended period
- arranging for assistance from relevant student wellbeing staff in the school.

We understand from time to time that some students will need additional support and assistance, and in collaboration with the student and their family, will endeavour to provide this support when it is required.

Referral to School Attendance Officer

If NSA decides that it has exhausted strategies for addressing a student's unsatisfactory attendance, we may, in accordance with the School Attendance Guidelines refer the non-attendance to a School Attendance Officer in the North Western Regional Office for further action.

If, from multiple attempts to contact with a parent, it becomes apparent that a student will not be returning to the school, the principal may make a referral to a School Attendance Officer if:

- the student has been absent from school on at least five full days in the previous 12 months where:
 - the parent has not provided a reasonable excuse for these absences; and
 - measures to improve the student's attendance have been undertaken and have been unsuccessful
- the student's whereabouts are unknown and:
 - the student has been absent for 10 consecutive school days; or
 - no alternative education destination can be found for the student.
