

CCTV (Closed Circuit Television) Policy

PURPOSE

This Policy explains the management, operation and use of the closed circuit television (CCTV) system at Northern School for Autism.

SCOPE

This policy applies to the installation of CCTV cameras on school grounds and the use and disclosure of any footage produced by those cameras.

This policy is consistent with:

- Victorian government [Schools' Privacy Policy](#) (applies to all Victorian government schools)
- the Department's [Crime Prevention in Schools](#) policy
- Victorian privacy law

POLICY

Schools have an obligation to ensure the school environment is safe and secure, and fulfil duty of care to students, staff and visitors. The CCTV system exists to assist our school to fulfil these obligations and to prevent and manage other inappropriate behaviour on school grounds.

CCTV provides enhanced capability to protect our school's assets against vandalism and theft. CCTV strengthens our school's security by providing an appropriate level of surveillance on school grounds and assists our school to take all reasonable steps to prevent reasonably foreseeable harm on school premises (duty of care). The presence of CCTV cameras deters misconduct and inappropriate behaviour and reassures students, staff and visitors that they are protected when on school grounds.

This policy describes how our CCTV system does this, consistent with Victorian privacy law.

Use of CCTV

Consistent with our school's obligations set out above, Northern School for Autism may use CCTV cameras to:

- prevent and verify incidents involving
 - criminal behaviour – of anyone on school grounds
 - staff misconduct
 - other inappropriate behaviour – including of students, staff, visitors or members of the public. For example, this means the school may use CCTV footage of incidents to help inform decisions about student management
- verify other incidents – involving students, staff and visitors (e.g. incidents in which a person has sustained injury, loss or damage on school premises)
