

# Room 2

**In term 3 we had Book Week and our theme was Pirates. Room 2 read two sensory stories 'I want to be a pirate' and 'I wish I was a pirate'. Turn taking, imaginative play and communication supported with visuals made it engaging and fun!**

We practised our communication sentences using 'I see', 'get the' and 'put the' as we navigated the pirate ship splashing through the sea, bravely challenging sea monsters with swords and found treasures. We made pirate masks and had Fine Motor, Music, Cooking, Literacy and Maths activities with treasure chests, sea monsters, flags, maps, hats, telescopes, swords and all things pirate! We dressed up as our favourite character and proudly performed at the Book parade for the first time. We are brave little sailors at NSA!
