

YARD DUTY and SUPERVISION POLICY Reservoir Campus

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at the Northern School for Autism, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well-organised and responsive system of supervision in place during school hours, before and after school, and on school excursions and camps.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

Before and after school

NSA will provide staff supervision for students arriving before school between 8.45am and 9.00am. Classes commence at 9.00am. The school will provide staff supervision for students after school between 3.00pm and 3.30pm. Outside of these hours, school staff will not be available to supervise students. This information is provided to parents/guardians on a regular basis via the school newsletter.

Students arrive with their parent/carer and are handed directly over to a staff member in the classroom. At the end of the day, students are released by staff only to their parent/carer.

Sufficient teachers will be allocated by the school principal or their nominee to supervise students during these periods. Should a teacher be called away to other duties alternate supervision arrangements will be put in place in consultation with the principal or their nominee.

Parents and carers should not allow their children to attend NSA Reservoir Campus outside of these hours.

Families are encouraged to contact Kelly Club on 0466 870 349 for more information about the after school care facilities available to our school community. Students must be booked in to attend this service. After School Care runs from 3.00pm to 6.00pm on school days.

If a student arrives at school before supervision commences at the beginning of the day, the principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- contact Victoria Police and/or the Department of Health and Human Services (Child Protection) to arrange for the supervision, care and protection of the student.

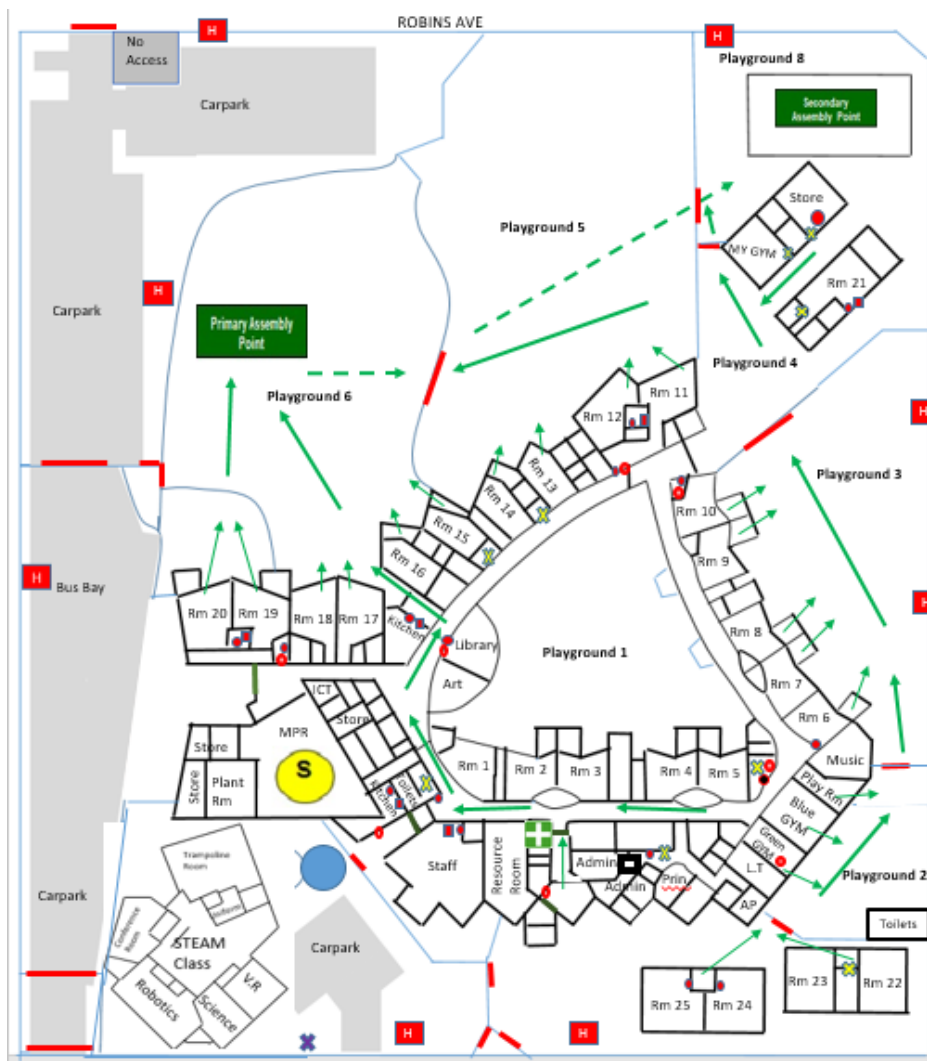

School staff who are rostered on for before or after school supervision must follow the processes outlined below.

Yard Duty

All staff at NSA are expected to assist with yard duty supervisions. Leadership will be responsible for preparing a 'Yard Duty Roster' each term that allocates teachers to supervise students in defined areas of the school grounds. Details of the roster will be communicated to teachers at staff/sub school meetings and via email. At NSA, school staff will be designated a specific yard duty area to supervise.

Yard Duty Zones

The designated yard duty areas for our school (as at Term 3, 2021) are playgrounds 1, 3, 5 and 6 (see map below). Only three classrooms will be in a playground at a time.

Yard Duty Equipment and Responsibilities

School staff must wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored at the Administration Office.

Staff who are rostered for yard duty must remain in the designated area until they are replaced by another staff member.

During yard duty, supervising staff must:

- lead students in and out of the school building
- methodically move around the designated zone; check toilets, behind buildings, around corners, behind trees, etc.
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- send for extra assistance if feeling uncomfortable or concerned with any situation
- enforce NSA's expected behaviours and implement appropriate strategies and consequences for breaches of safety rules, in accordance with any relevant measures set out in NSA's Student Engagement and Wellbeing policy
- carry the yard duty First Aid bag at all times on outside duty
- ensure all injuries are attended to by First Aid Officers; the teacher on duty at the time the injury occurred must complete the accident register in consultation with the First Aid Officer
- notify the Classroom Teacher and Sub School Leader and log any incidents or near misses as appropriate on Sharepoint
- if being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact their sub school leader with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the sub school leader but should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office or call the sub school leader and not leave the designated area until a replacement staff member has arrived.

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty staff member.

No hot drinks are to be taken inside or outside during duty.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

Students must be supervised in the classroom or specialist areas (this includes before and after school and during lunchtimes and recess breaks).

The classroom teacher has ultimate responsibility for all students in their care (At law, the Duty of care cannot be delegated), this includes supervision of students who are in the care of Education Support Staff or trainee teachers.

External education providers and para-professionals must have appropriate certification (e.g. Working with Children Checks) and ensure that supervision guidelines are followed.

In an emergency situation the teacher must contact the Sub School Leader, or Assistant Principals.

If a teacher needs to leave the classroom at any time during a lesson, they should first contact the Sub School Leader for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

Care needs to be taken in allowing students to leave the classroom and transitioning between learning spaces. Movement of students must be supervised at all times.

School activities, camps and excursions

The Principal and Leadership Team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activities. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.

Digital devices and virtual classroom

The Northern School for Autism follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

The Northern School for Autism will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in classrooms designated by the Principal and Assistant Principal.

Many of the students at Northern School For Autism cannot engage in Google Classroom. Learning Packs are sent home with each student so they have physical learning tasks to complete. While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored via daily communication with parents by telephone call or email asking if students have completed work from the learning pack that has been sent home.
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

Early departure of students prior to dismissal time

Students must be signed out of the school if departing prior to dismissal time. A record of early departures is to be kept on the iPad and completed for all students departing the school early. Details will include the student's name, group, the time of departure and the name of the person collecting the student.

- No parents/carers are permitted to take students directly from the classroom.
- No students will be sent home on their own outside of normal dismissal time, unless with the express written request/permission of the custodial parent.

Unauthorised student departure from school

When a student departs from the school (following initial attendance) without authorisation, the parent/guardian will be informed immediately. Teaching staff will be allocated to check the school and its surrounds. Where there is reasonable concern for the student's safety or the safety of others, immediate contact will be made with the police and the Department's Incident Support and Operations Centre, telephone 1800 126 126.

REVIEW

This policy will be reviewed annually as part of the school's policy review cycle.

This policy will also be updated if significant changes are made to school grounds that require a revision of Northern School for Autism Yard Duty and Supervision Policy.

This policy update 9th August 2021 and is scheduled for review August 2022.
